

Tarps & Runners

New Haven's sturdy runners and tarps are available in various styles and materials to protect your valuable carpeting and flooring. **New Haven** tarps have many useful moving and storage applications—inside and outside storage, pallet vault covers, tailgate covers, thru-container linings. All tarps have rust resistant grommets, placed approximately 3' apart. Individually packaged.

Plastic Carpet Runners

New Haven's poly floor and carpet protection adhesives provide a professional image to your customers and clients. Easy application and removal makes these adhesives a must to avoid potential claims for every office, industrial and household move. Available in 50' or 200' rolls. Other widths and sizes available.
