

# Piano Moving Equipment

**Grand Piano Cover—  
Heavy-Duty  
NH810HD**

The easy way to move pianos, organs and all types of awkward equipment. Use **New Haven's** selection of piano moving equipment for all types of pianos. To protect expensive piano finishes use **New Haven's** piano skid boards, available with a layer of padding, covered with durable canvas.

Use our piano and spinet covers to protect your piano. They are shaped to fit standard piano or spinet contours.

### Piano and Spinet Covers

New Haven's model 810 HD Grand Piano cover is manufactured with extra heavy 18 oz. black vinyl water-resistant material on the outside, and soft, scratch-resistant flannel-like material on the inside. Cover, or lift and transport your customers' pianos with this unique industry favorite. Our most popular seller for serious piano movers. Fits pianos sizes 6'-9'.

New Haven's Dreadnaught padded piano covers are shaped to fit, grand, spinet, and upright pianos. All covers reinforced with 2" 3-ply webbing on inside. Straps hold New Haven's covers firmly in place. To be used for the covering of pianos only.

<b>NH819</b>	Upright Close-Back Cover	Dreadnaught Padded	84.50

### Piano Skid Boards

New Haven skid boards are made of seasoned hardwood. Joints are mortised and bolted. Rail sides have webbing slots and rope holes. Available with two 17' piano straps or flush mounted, New Haven track. A layer of Dreadnaught padding, covered with durable canvas, protects expensive piano finishes. All carrying handles are securely attached on the underside. Western style skid board is carpeted. All models available in 5', 6', 7' and 9' stock sizes. Other custom sizes available. All piano boards can be used with "E" series or piano straps.
