### New Haven E-CRATE

E-CRATE is a versatile crate with a locking lid that meets HIPAA guidelines. It's "True Form" ergonomic handles are designed for safer lifting. Reinforced tie holes minimize lid damage and a multi-fingered lid design provides tamper-resistant security. E-CRATE's "traction" bottom surface prevents slippage on conveyors and a cross-strapping lid allows for added security. Solid nesting stops provide increased stacking height of empty containers. A textured label area eases label removal. E-CRATE can adapt to letter and legal sizes.
