## PIANOS & ANTIQUES

Nothing beats a dozen furniture pads for protecting corners and edges. New Haven built it's business on the success of quilted textiles. Professional furniture pads, made of quality cloth and stitching are highly protective and re-useable.

Antique and piano moving create special challenges that can be overcome with New Haven's selection of high grade equipment to manage the load.

Renting is the perfect solution in most scenarios.

Get it when you need it—bring it back when you don't.
