

Accessories & Wear Protection

Eye Buffers

Buffer pads can be added to the bearing points of eye to eye slings. Pads give extra wear protection to the part of the eye that contacts the hook. Eye buffers are available in leather, nylon web or cordura. Consult your New Haven sales representative for more information.

Ordering Information

Determine the price from the table below. Price is **per sling** (includes both eyes).

		Price per sling	L	W	C
NHS-EB1	1" Sling		7.67	4.10	3.78
NHS-EB2	2" Sling		8.72	4.73	4.20
NHS-EB2T	2" Tapered Eye		7.67	4.10	3.78
NHS-EB3	3" Sling		8.19	4.57	3.99
NHS-EB4	4" Sling		8.72	4.73	4.20
NHS-EB6	6" Sling		8.72	4.73	4.20

Additional Eyes & Hardware

Additional eyes or hardware can be fabricated to any New Haven single-ply sling (excluding reversed eye). Additional eyes or hardware enable the user to adapt a long sling to a shorter application.

Ordering Information

To avoid possible confusion, no part number has been assigned. Please provide a written explanation of extra eye(s) or hardware, and a sketch if possible. Reference the placement as shown above. **Call factory for pricing.**

NOTE: Additional eyes and hardware effect sling rated capacity. Consult the factory for load capacities.

Wear Pads

Wear pads can be added to the body of any sling. Wear pads give additional wear protection to the sling body. Available in leather, web or cordura.

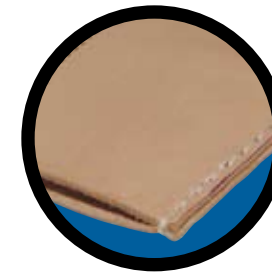

Ordering Information

Determine the price from the table below. Price is **per foot**. Specify material length and specific placement when ordering.

		Price per foot	L	W	C
NHS-WP1	1" Sling		5.15	3.05	2.73
NHS-WP2	2" Sling		6.20	3.68	3.15
NHS-WP3	3" Sling		7.25	4.88	3.52
NHS-WP4	4" Sling		8.30	5.20	4.31
NHS-WP6	6" Sling		10.92	8.19	5.36

Never exceed a sling's rated capacity!

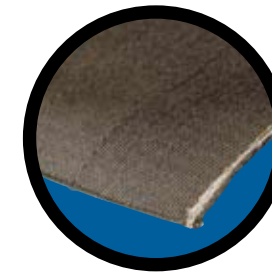

All Wear Protection available in these 3 materials!

W-Web

C-Cordura

Sliding Sleeve

Sliding sleeves can be supplied with any sling. They are suitable for slings that are used in many different applications and are subject to various points of abrasive contact. The sleeve can be moved to the various points, protecting the sling from damage. Sleeves are available in leather, web and cordura.

Ordering Information

Determine the price from the table below. Price is **per foot**. Sleeves can be priced as part of the sling or separately if needed.

		Price per foot	L	W	C
NHS-SS1	1" Sling		8.40	6.46	6.30
NHS-SS2	2" Sling		10.50	8.93	7.25
NHS-SS3	3" Sling		12.60	9.56	8.56
NHS-SS4	4" Sling		15.96	15.54	10.71
NHS-SS6	6" Sling		25.20	19.11	17.12

Installable Sliding Sleeve

Installable sliding sleeves are designed for quick installation and removal of sleeves. One side of the sleeve has a velcro fastening system. There is no need to remove the sleeve by sliding it down the body and over the eye. Simply separate the velcro fastening strips, and the sleeve is removed from the sling.

Ordering Information

Determine the price from the table below. Price is **per foot**. Sleeves can be priced as part of the sling or separately if needed. Specify material needed when ordering.

		Price per foot	L	W	C
NHS-IS1	1" Sling		23.73	18.90	17.01
NHS-IS2	2" Sling		28.14	21.00	18.38
NHS-IS3	3" Sling		30.35	25.15	20.63
NHS-IS4	4" Sling		32.55	26.57	22.31
NHS-IS6	6" Sling		36.95	34.49	30.66
